# Summary statistics for the full THBP battery

Bindoff, A. D.

2026-10-31

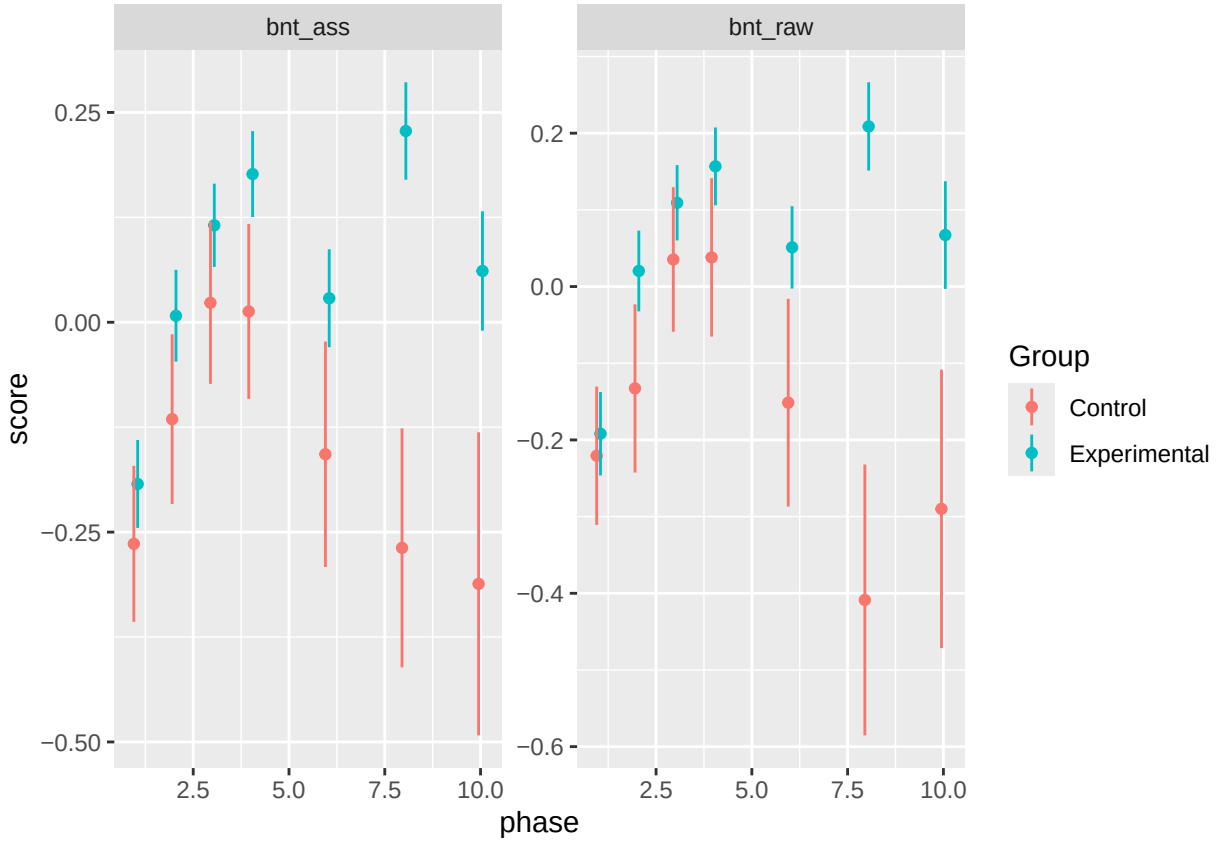

## Contents

Figures . . . . . 1

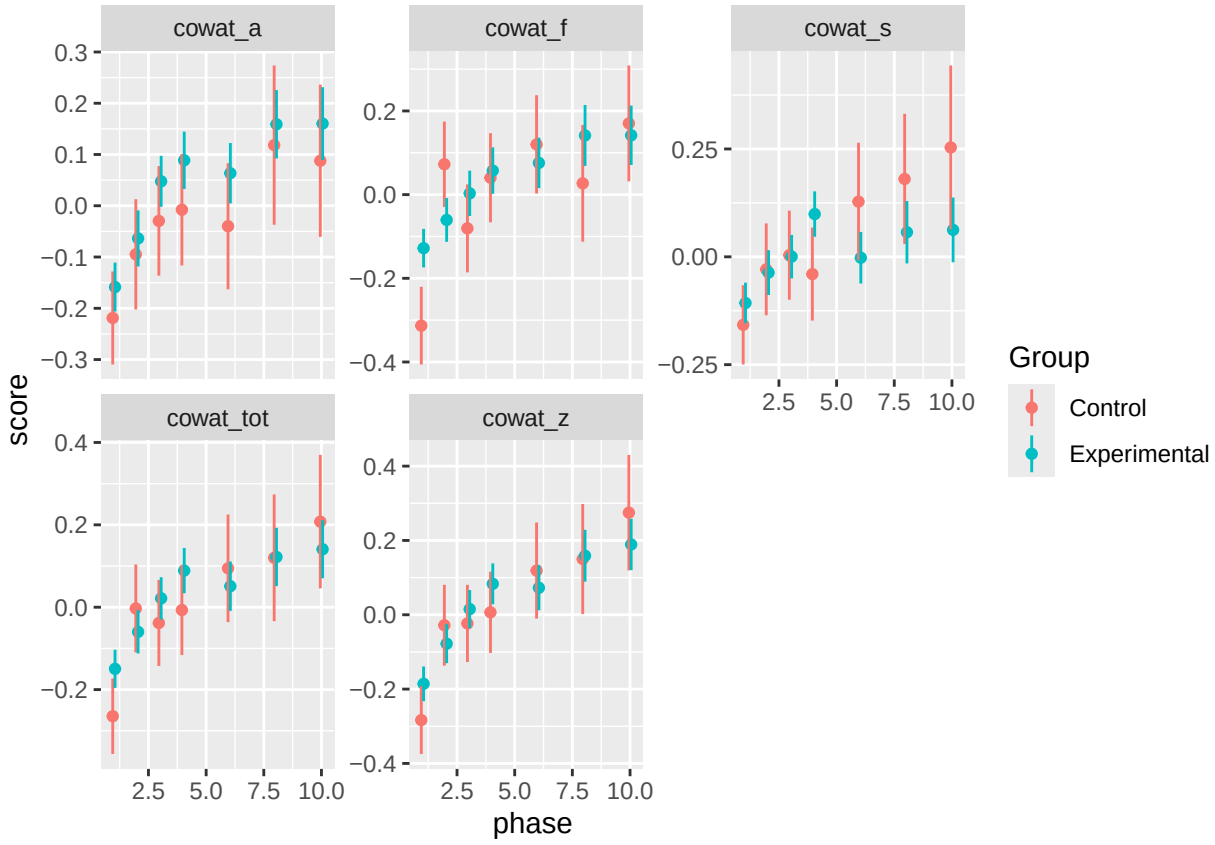

### Figures

Standardized mean +/- SE. Unadjusted* with the exception of Winsorizing at the 1st and 99th percentiles. No exclusion criteria applied, every sub-scale shown. *Some scores (suffixed with '_z') have been adjusted against population norms.

## $wrat
```

Standardized mean difference between groups (Hedge's g with 95%CI, Winsorized at 1st and 99th percentile prior to calculation). Black dashed line at no difference, red dotted lines show small effect size (+/- 0.2) for reference.
